"EQUIPPING THE SAINTS
FOR MINISTRY"

EPH. 4:12

August 25, 2025

Dear Friends of Higher Ground:

I am glad to inform you that *PROVERBS The Rules of Wisdom* is in full distribution. It is available in hardback, paperback, audio, and E-book forms. The book is carried by all major book distributors. It can be ordered through Amazon.com. Thanks for your help in publishing it. I am praying for a wide circulation.

In December we will be celebrating 20 years of serving the prisons and villages of East Africa. During this time we have seen thousands enroll in Higher Ground courses. We have graduated well over 1200 students. Graduates are serving as evangelists, pastors, and teachers throughout the country of Kenya. Thank you for making this possible.

Here are ways you can pray for Higher Ground:

- I have been requested to speak at a HGBM conference in Kenya in November or December. I am seeking the Lord's will regarding this.
- There is a need for more Bibles and printing supplies. These increase as enrollment increases in the prisons.
- Launching a You-tube series: "The Bible From Start To Finish". I have had problems every time I have made an attempt to begin.

God bless you for your prayers and gifts.

Here is a report from Jefferson Gathu, Director of Prison Ministries in East Africa

Calvary greetings from HGBM in Kenya and Uganda! ... We're thrilled to report that the HGBM training in the Kenya prisons is going well. We've had many outreaches in prisons, and there have been numerous transformations. Since the last report Kenya has had 40 inmates and 15 chaplains joined HGBM courses with 20 inmates converted. Uganda prisons have seen 10 inmates converted and 35 have joined. We are seeing an increase in enrollment, and we'd like to request support for paper/stationery for printing lessons. We would appreciate prayer for more Bibles, especially for new intakes. Thank you for your support and partnership.

In Christ, Jefferson
